

ROSE HYDROSOL MIST

玫瑰纯露是通过低温蒸馏新鲜大马士革玫瑰花瓣提取的天然花水，富含玫瑰精华及活性成分。它能深层补水、舒缓肌肤、平衡油脂，并散发温柔迷人的花香。温和不刺激，适用于所有肤质，尤其适合干燥、敏感或暗沉肌肤。可作为爽肤水、保湿喷雾、定妆喷雾，带来全方位的呵护与放松。

Rose hydrosol is a natural floral water extracted from fresh Damask rose petals through low-temperature steam distillation. Rich in rose essence and active compounds, it deeply hydrates, soothes the skin, and balances oil production while exuding a delicate floral aroma. Gentle and non-irritating, it is suitable for all skin types, especially dry, sensitive, or dull skin. Perfect as a toner, facial mist, setting spray, offering holistic care and relaxation.
